

MODEL 4460-84RB

TOOLBAR CULTIVATOR

Optional front gauge wheels

Optional coulters to lead ripper shanks

Shaping disks restore bed shoulders

Ripper shanks loosen compaction in furrow ahead of shaping disks

A broader sweep to cultivate furrows is optional

The popular S-tine and rolling basket seedbed cultivator conforms to raised beds. For general cultivation, this is more flexible across varied conditions and can handle moderate crop residue. Lightly work stale beds. Finish primary beds.

**Multi-purpose
bed tillage and
maintenance**
